

ENVIRONMENTAL QUALITY AND ENERGY COMMISSION

Fridley Municipal Center, 6431 University Ave Ne

AGENDA

October 11, 2016, 7:00 p.m.

Location: City Hall, Conference Room A (Main Level, City Hall)

Call to Order

Approve Environmental Quality and Energy Commission Minutes

Review September 13th, 2016 minutes

New Business

GreenStep Cities priorities, next projects, comments on our recent work.

Old Business

LCCMR Grant update: Tree Trust, Oct. 20 and Oct. 22 volunteer planting events, volunteers needed.

MnDOT Right of Way planting and completion of Phase I, discussion of Council meeting and design guidelines, Phase II.

Other

Moore Lake Park Survey: take survey on-line and help plan the future of Moore Lake Park.

Moore Lake Park is undergoing a process for a new park master plan. The community is invited to provide feedback regarding short-term and long-term goals for what the park should add, improve, or change. The questionnaire will help planners understand how Moore Lake Park is being used today, how it can be better, and how it can complement recreation in nearby parks.
